

Welfareville Youth Ministry

PANGITAIN:

“ Makita ang mga kabataan sa Welfareville na:

- Malago sa pananampalataya, at nagiging katulad ni Hesus.
- Nagagalak magpakita ng pag-ibig at maglingkod sa Diyos at sa ibang tao.
- Naghahangad na magbahagi, magdisipulo at humayo tungo sa pagbabago ng kumunidad para sa kaluwalhatian ng Diyos.

Welfareville Youth Ministry ended with a clearer vision. We don't know how to start this story but one thing here is for sure, this is answered prayer. Once again, God proved his greatness by granting us an improved, detailed and stronger vision that responds to the needs of the young people in our area. This vision has come up by means of revising the past vision and setting specific goals for attaining this dream: “Welfareville Youth as disciples of Christ”.

The first point focuses on the growth and readiness of everyone to be like Jesus.

The second focuses on the joy and willingness to devote one's life to God and others by means of spiritual service.

The last is to focus on the preparation for sharing the gospel and to disciple others to the glory of God.

PRAISES:

1. We thank God for giving us an improved, detailed and stronger vision for our youth ministry.
2. Praise God for providing new B.L. teachers more than what we have asked for in prayers.
3. Thank God for touching people's heart to support us financially in our ministry.

PRAYERS:

1. Please pray for the people who lead this ministry to give them more strength and wisdom
2. Please pray for our vision to be attained.
3. Please pray that our programs and curriculum will respond to the needs of the youth.
4. Please pray that all our youth become ready to accept Jesus Christ as Lord of their lives.
